

Course Information

Name: Dr. Michael Jay Schillaci
 Office: 86-1143
 Hours: MWRF 2:45 – 3:45 PM
 Phone: 475-5661
 Email: mjssps@rit.edu

Course Schedule

Workshops	MWF	12:00 – 2:50 PM	08-3178
Tests	T	7:00 – 7:50 PM	TBD

Course Materials

1. Fundamentals of Physics, 8th edition (Volume I and Part 4 Required)
 Halliday, Resnick, Walker
 John Wiley & Sons, 2008

Topics from the following chapters will be covered:

Chapter 10	Rotation
Chapter 11	Rolling, Torque, and Angular Momentum
Chapter 12	Equilibrium and Elasticity
Chapter 15	Oscillations
Chapter 16	Waves – I
Chapter 17	Waves – II
Chapter 33	Electromagnetic Waves
Chapter 34	Images
Chapter 35	Interference
Chapter 36	Diffraction

2. Workshop Manual (Required; Available in Bookstore)
 University Physics II 1017-312 Activities Manual
3. WebAssign Access. (Required; Available Online or in Bookstore)

Course Percentages and Grade Assignment

Tests* (three 50-minute tests)	40 %
Final Exam* (2-hour)	25 %
Workshop Activities and Laboratory Write-Ups	15 %
WebAssign Homework	10 %
Weekly Quizzes and Attendance	10 %

The final grade for the course will be computed by dividing the total number of points earned by the maximum number of points; the following grading scale will be used:

90 – 100%	A
80 – 89%	B
70 – 79%	C
60 – 69%	D
< 60%	F

***NOTE: You must have a passing grade (greater than 60%) on both the test average and final exam in order to pass the class. Your final will replace your lowest test grade.**

Course Grading and Attendance Policies

Late submission of any work is not accepted. Attendance will be taken at every class meeting; excessive absences may result in a lower grade in accordance with university policy.

WebAssign Homework

The WebAssign assignments will consist of a mix of multiple choice and numerical questions. You will get immediate feedback as to whether your answer is right or wrong and may have multiple submissions up to the due date.

Workshop Activities

Summaries of select workshop activities will be collected. Some activities will be submitted individually while others will be submitted by the group. Every contributing student in the group earns the same grade. (Points will vary; some credit will be given for completing the activity.)

Laboratory Write-Ups

Three complete laboratory write-ups will be collected throughout the quarter, with each including an introduction, procedure, analysis and conclusion. (Each laboratory will be graded on a 10 point basis.)

***NOTE: If you miss a workshop activity or test for any reason, you will not be allowed to make up the missed workshop activity or the test.**

Course Tests and Final Exam

The tests will consist of multiple choice questions, multiple-step conceptual questions, and worked problems. A formula sheet will be provided. The comprehensive final exam is required and must be taken during the scheduled period – no early or late exams will be offered. The final exam may be used to replace your lowest test. The dates for the tests are as follows:

Test	Day	Date	Time	Room
Test #1	Tuesday	March 23 rd , 2010	7:00 PM	TBA
Test #2	Tuesday	April 13 th , 2010	7:00 PM	TBA
Test #3	Tuesday	May 4 th , 2010	7:00 PM	TBA
Final Exam	Wednesday	May 19 th , 2010	8:00 – 10:00 AM	TBA

***NOTE: No cell phones, laptops, PDAs, MP3s, etc., will be allowed during tests/exam.**
